Madison Academy Elementary/Middle School

A letter to our parents:

Thank you for your commitment to helping your child succeed and continue to grow, during this very difficult time! We appreciate your partnership! Please know that we couldn't do any of this without you all. You are all doing amazing! Madison is so blessed to have you all as part of the team! We know that this is stressful and not at all what any of us would have chosen, but we are here for you and your child(ren) for anything you need. We love and miss your child and can't wait for things to get back to normal. Stay safe and healthy!

A letter to our students:

We are so proud of all of you! Thank you for making it a priority to continue your education and acquire all the necessary skills to advance to the next grade level. You are true Rock Stars. Please know that we miss you and cannot wait until we are back to normal and learning in the school building. Stay Strong and do your best! We love you!

Continued Learning:

Madison Academy has worked very hard to continue to provide your child with the best education possible virtually and will continue to do so until the schools are allowed to open back up. Madison Academy Staff will continue to have office hours Monday through Friday between 10:30 am and 12:30 pm for any and all questions or concerns. All students will receive online assignments that need to be completed. The assignments will be in Google Classroom and/or Khan Academy. In addition, your child will have access to live online lessons with his/her teacher via Zoom/Google Meet/ Google Hangouts. The students Pre-K- 6th will have two live online lessons, for an hour each, with the teacher and 7th and 8th will have 4 online lessons (one per subject area) per week for an hour each. Remember: If your child is struggling with any of the work please have them contact the teachers. Our staff is available daily to help.

Hello Families! Currently, we will still have all food distribution sites up and running. However, in an effort to minimize the COVID-19 exposure to our staff or students, we **will NOT** be doing any direct door deliveries for the upcoming dates. We are extremely grateful to have FOOD DISTRIBUTION SITES set up across the city and a transportation and food staff that is willing to help get food to our students. If you would like to receive 5 days worth of food for each student in your family, please stop by one of the distribution sites on Monday. Feel free to email Mr. Stephens with any questions at dstephens@madison-academy.org. Thank you
